Dear Mister Perio and guardians;

Our entire office team would like to thank you for the cooperation you have shown throughout your orthodontic experience. Your considerable efforts in keeping appointments and following treatment instructions were largely responsible for the pleasing results we have attained.

Please be sure to preserve your investment of time, money, and effort by returning to your family dentist on a regular basis and by wearing your retainers as recommended.

We are always glad to receive continued referrals from our patients and their families. It lets us know that you have the highest professional confidence in us and that you are pleased with the service we have provided in the past. A patient referral is the best compliment we can receive, and we will do our best to warrant your confidence!

Again, we have enjoyed having you as a valued part of our practice family and thank you for allowing us to give you a smile that will last a lifetime! You have our sincerest wishes for continued success.

Kindest regards,

L Brown
